Written in the ancient and sacred Cabbalistic language, the holy square of Saturn contains the numbers 1 to 9. Each vertical, horizontal and diagonal column adds up to the holy number 15. This powerful spiritual number is the mathematical equivalent of the shortest form of the sacred Tetragrammation. When 1+5 are added together it give Saturn's place in the heavens as the 6th planet from the Sun.

The Tetragrammation is considered the most sacred and holy cosmic mathematical formula as it expresses the divine name numerically and contains all the holy & secret names of the creator within its powerful invocation. The square of Saturn continually calls on the holy & secret names of the creator to bless & protect the talismans owner. It is recorded that its past owners enjoyed a life of good fortune and true happiness under the guiding hand of Faith.

Magic Third Eye - This powerful spiritual eye symbol reflects negative influences away from the talismans owner and helps to greatly enhance its owners natural intuition so

Pronounced - **He Vau He Yod** {this reads from right to left} These inscribed sacred words of power use all the holy names of the creator to empower the talisman. The **written Tetragammation** are the divine keys that help bless the talismans owner and bring them under the spiritual and highly protective embrace of the creator and his angels.

Where did the ancient Magical Talisman of Saturn originate?

According to our research it was around 2500 BC in the city of Ur in southern Mesopotamia that the ancient Astrologer Holy Men know to history as the Magi first discovered the secrets of the Magical Talisman of Saturn while researching the cosmic benefits of planetary magic. The astral bodies have long been known to assert beneficial spiritual powers. The spiritual power of Saturn in particular was considered by the Magi to be highly beneficial in the creation of real happiness and the advancement of humankind.

By nature we are surrounded at all time by the spiritual power of the heavenly planets. However, the Magi discovered that by the power of holy words they could concentrate an infusion of Saturn's spiritual energy in an object/talisman. Through this special talisman the spiritual energy of Saturn is diverted to the world of physical matter where it will effect numerous beneficial changes in the life of the talismans owner.
